OCTOBER FUN

We had an amazing turn out for the Corn Maze last Friday. This event was for both our residents and our staff and their families. Cedar Hills was joined by Milligan House AFH (Pat Reese's) and Miranda Care AFH (Paul Reese's) staff and residents.

All in all we had 114 participate. Many in attendance went on the hayrides, went through the maze multiple times,. The residents enjoyed hot dogs and smores cooked at the fire pits. There was also a movie and apple cannons to add to the fun. Can't wait for next year.

Congratulations to Oakridge South for September unit of the month. A Great Job to Angela Limon for going above and beyond doing activities with your residents. Keep up the outstanding work. This month we aren't picking a unit of the month. All units win in October. We would like to highlight some staff members

Our Resident Managers – Angie Guerrero, Billie Boles, Claudia Yanez, Erika Jiménez, Isabel Mendoza and Wendy Gambrell have teamed up to make Halloween fun for residents and staff.

They have done an excellent job decorating and creating a haunted house for the Halloween party on Tuesday. It will be a fun to see everyone's costume on Halloween.

Thank you Resident Manager's for making good memories with your residents and your co-workers.

Cedar Hills has become a supporter of NAMI: National Alliance on Mental Illness.

NAMI has many resources to help people dealing with mental health issues and their families.

We will soon have some literature in our office to share with those who would like more info. Also Wendy would be glad to help you with information on where to find NAMI online resources.
